Ochsner Medical Center – Jefferson Hwy.

Medical Surgical Unit Adult General Medicine Cardiac Monitoring/Telemetry, IV Pumps, Pain Management, Central Line Care	6th Floor Main Hospital 34 Beds
--	--

Internal Medicine Telemetry Unit Adult General Medicine Cardiac Monitoring/Telemetry, IV Pumps, Pain Management, Central Line Care	11th Floor Main Tower 34 Beds
---	--

Medical Telemetry Step-Down Unit Medical and surgical patients requiring closer monitoring (Liver failure/transplant, surgery, internal medicine) Cardiac monitoring/Telemetry, IV Pumps, Central Line Care, Pain Management	8th Floor West Tower 36 Beds
---	---

Postop Surgical Services (POSS) Adult post-surgical patients (e.g., Ortho, GS, Urology, CRS, Bariatric) Cardiac Monitoring/Telemetry, IV Pumps, Wound and Pain Management, Central Line Care	5th Floor Main Hospital 42 Beds
---	--

Acute Oncology Unit Adult cancer care (stem cell transplant, bone marrow transplant, hematology, oncology and gynecology oncology surgery) IV Pumps, Central Line Care, Chemotherapy, continuous vital sign monitoring	8th Floor Main Hospital 29 Beds
--	--

Gastro-Intestinal Surgical Stepdown (GISS) Adult Colon and Rectal, GI Surgery requiring closer monitoring postoperatively Cardiac Monitoring/Telemetry, IV Pumps, Wound and Drain Management, Pain Management, Central Line Care	10th Floor Main Hospital 40 Beds
---	---

Neurosciences Progressive Unit (NPU) Adult stroke, neurosurgery, seizure patients, pre/post surgery care, Cardiac Monitoring / Telemetry, Seizure monitoring, continuous VS monitoring, IV Pumps, Wound and Drain Management, Pain Management, Central Line Care	9th Floor Main Hospital 40 Beds
--	--

Transplant Stepdown Unit (TSU) Adult pre and post-transplant patients Cardiac monitoring, Central / PA lines, Complex IV titration medications, Drain and Wound Management	11th Floor West Tower 34 Beds
---	--

Cardiology Step-down Unit (CSU/CTSU) Care of patients with cardiac diagnosis (NSTEMI, HF, CAD) and pre/post heart procedures (cath, LVAD, CABG, MVR, Cardioversion, ablations Cardiac monitoring/telemetry, Pacer management, Central Line Care, IV Pumps, titratable drips	3rd Floor Main/West Tower 43 Beds
--	--

Neurosciences Critical Care (NSCC) Adult care of Stroke (Ischemic, Hemorrhagic), post-surgical and procedural patients (Aneurysm clipping/coiling, brain tumor resection), complex seizure and EEG monitoring, Neuromuscular disorders Cardiac monitoring, EEG, Hypothermia, pupillometry and ventilator management	9th Floor West Tower 40 Beds
--	---

Medical Intensive Care Unit (MICU) Adult medical intensive care for sepsis, respiratory failure, liver failure, GI Bleeding, HTN crisis, multi-organ failure Hemodynamic Monitoring, PA /Central Lines, ventilator management, IV Pumps and complex drips, CRRT	7th Floor West Tower 32 Beds
--	---

Surgical Intensive Care Unit (SICU) Post-surgical adult patients requiring close monitoring (Heart, transplant, LVAD, ECMO) Hemodynamic Monitoring, PA /Central Lines, ventilator management, IV Pumps and complex drips, CRRT	16th Floor West Tower 34 Beds
---	--

Cardiac Intensive Care Unit (CICU) Adult high-risk cardiology patients (PCI, STEMI, decompensated heart failure, cardiogenic shock) SDU: post ICU CT surgery, VAD Cardiac monitoring, Central / PA lines, Complex IV titration drips, CRRT, IABP, VAD, Impella, Tandem heart	3rd Floor West Tower 16 ICU; 16 SDU
---	--

Pediatric Acute Care Unit Care of infants to <18 y.o patients with medical and surgical diagnoses Cardiac monitoring, IV Pumps, Feeding	4th Floor Main Hospital 32 Beds 6th Floor West Tower 12 Beds
--	---

Pediatric Intensive Care Unit (PICU/CVICU) Care of infants to <18 y.o. patients requiring close monitoring for medical or surgical diagnoses Hemodynamic monitoring, Central / PA lines, Complex IV titration drips, ventilator management	4th Floor Main Hospital 26 Beds
---	--

Ochsner Skilled Nursing Facility (Post-Acute) - Short-term skilled services for patients requiring rehabilitation or complex medical care following hospitalization	2614 Jefferson Hwy West Campus 30 Beds
--	---

Ochsner Hospital for Orthopedics & Sports Medicine Care of Orthopedic Surgery patients (Same Day Joint Replacements), Surgical Suites, Pre/Post Op Unit	1221 S. Clearview Pkwy Jefferson, LA
---	--

Other Units: ED, Cath Lab, EP Lab, Interventional Radiology, Dialysis, Endoscopy, Surgery/PACU, OP/DOSC (Merrill Hines Surgery Center)

Ochsner Medical Center – Westbank

Medical Surgical Unit Adult medical and post-surgical patients What you'll see most of: Pre/post-surgical care, cardiac monitoring/telemetry, IV pumps, wound and pain management, central line management, blood administration, administration of a variety of medications	4th Floor 38 Beds
--	--

Telemetry Unit Adult medical and cardiovascular patients (acute cardiac and acute stroke care) What you'll see most of: Cardiac monitoring/telemetry, pre/post diagnostic and procedural care, IV Pumps, tele stroke, patients with multiple comorbidities	3rd Floor 38 Beds
--	--

Intensive Care Unit Combination Medical/Surgical/Cardiac Critical Care Unit able to collaborate with EICU via virtual medicine equipment What you'll see most of: Patients requiring close hemodynamic and cardiac monitoring, ventilator management, central and arterial lines, complex IV medication titration, CRRT, IABP	2nd Floor 22 Beds
---	--

Women's Services Care of low and high-risk pregnancies and deliveries, Mother Baby with 24/7 couplet care, post GYN surgery care, care of level III critically ill newborns/infants requiring close hemodynamic monitoring and ventilation management	2nd Floor L&D M/B NICU 16 Bed Level III
---	---

Other Units: ED, Cath Lab, Endoscopy, Surgery/OPS/PACU

Ochsner Medical Center – Kenner

Medical Surgical Unit Medical and post-surgical patients (e.g., Ortho, GS, Neuroendocrine Tumor) Cardiac Monitoring/Telemetry, IV Pumps, Wound and Pain Management, Central Line Care, Virtual Innovative Patient (VIP) Care	5th Floor – A (5A) 30 Beds
---	---

Telemetry Unit Medical patients requiring cardiac monitoring / telemetry Pre/Post diagnostic procedures, IV Pumps, Tele Stroke, Virtual Innovative Patient (VIP) Care	4th Floor – (4B) 40+ Beds
--	--

Intensive Care Unit Medical and surgical patients requiring close hemodynamic monitoring Cardiac monitoring, ventilator management, Central / PA lines, Complex IV titration medications	5th Floor (5B) 26 Beds
---	---

Women's Services Care of low and high-risk pregnancies, antepartum, intrapartum and immediate post-partum; 24/7 unit with newborn care at the bedside (Couplet Care) Post GYN surgery care	3rd Floor L&D M/B
---	---

Other Units: ED, Cath Lab, Interventional Radiology, Pain Management, Endoscopy, Surgery/OPS/PACU

Ochsner Baptist

Medical Surgical Unit / Telemetry Medical and post-surgical patients (e.g., Ortho, GS, Urology, ENT, GYN) Cardiac Monitoring/Telemetry, IV Pumps, Wound and Pain Management, Central Line Care	3 South 26 Beds
---	----------------------------------

Medical Surgical Unit / Telemetry Medical patients requiring cardiac monitoring / telemetry (CHF, COPD, DM, Infections, GI Disorders, ESRD/Dialysis) Pre/Post diagnostic procedures, IV Pumps	3 Clara Center 26 Beds
--	---

Intensive Care Unit Medical and surgical patients requiring close hemodynamic monitoring Cardiac monitoring, ventilator management, Central / PA lines, Complex IV titration medications	5th Floor 12 Beds
---	---

Women's Services Low to high-risk L&D, 24/7 Mother Baby Couplet Care Level III critically ill newborns/infants requiring close hemodynamic monitoring, ventilation management	L&D, OB ED M/B, Alternative Birthing Center Level III 54 Bed NICU
--	--

Other Units: ED, Cath Lab, Endoscopy, Surgery/OPS/PACU, Pain Management

St. Bernard Parish Hospital – Chalmette

Medical Surgical Unit Adult Medical and post-surgical patients Cardiac Monitoring/Telemetry, IV Pumps, Wound and Pain Management, Central Line Care	3rd Floor 32 Beds
--	--

Intensive Care Unit Medical and surgical patients requiring close hemodynamic monitoring Cardiac monitoring, ventilator management, Central lines, Complex IV titration medications	2nd Floor 8 Beds
--	---------------------------------------

Other Units: ED, Cath Lab, Endoscopy, Surgery/OPS/PACU

St. Charles Parish Hospital - Luling

Medical Surgical Unit Adult Medical and post-surgical patients Cardiac Monitoring/Telemetry, IV Pumps, Wound and Pain Management, Central Line Care	2nd Floor 19 Beds
--	--

Intensive Care Unit Medical and surgical patients requiring close hemodynamic monitoring, Cardiac monitoring, ventilator management, Central / PA lines, Complex IV titration medications	1st Floor 6 Beds
---	---------------------------------------

Behavioral Health Unit Inpatient acute psychiatric care and therapeutic processes, substance abuse management Medication management, Verbal / physical de-escalation, Individual/Group Therapy	3rd Floor Beds 20 Beds (BHU) 10 Beds (Med/Psych)
---	---

Other Units: ED, Surgery/PACU

SLIDELL MEMORIAL HOSPITAL

Med Surg 4

Medical and post-surgical patients
Cardiac Monitoring/Telemetry, IV Pumps, Wound and
Pain Management, Central Line Care

**2nd Floor EAST
CAMPUS**
18 Beds

Med Surg Oncology 1100

Medical and post-surgical patients
Cardiac Monitoring/Telemetry, IV Pumps, Central Line
Care

1st Floor Main
25 Beds

Med-Surg / PCU 1200

Medical and post-surgical patients
Cardiac Monitoring/Telemetry, IV Pumps, Central Line
Care, Wound Care

1st Floor MAIN
22 Beds

Telemetry 2500 A

Cardiac Monitoring/Telemetry, IV Pumps, Central Line
Care, Wound Care

2nd Floor MAIN
14 Beds

Stepdown 2500 B

Cardiac Monitoring/Telemetry, IV Pumps, Central Line
Care, Wound Care, Pain Management

2nd Floor MAIN
24 Beds

Med-Surg 3000

Medical and post-surgical patients, Cardiac
Monitoring/Telemetry, IV Pumps, Central Line Care,
Wound Care

3rd Floor MAIN
15 Beds

SLIDELL MEMORIAL HOSPITAL

Med-Surg Telemetry 3100

Medical and post-surgical patients, Cardiac Monitoring/Telemetry, IV Pumps, Central line Care, Wound Care, Pain Management

3rd Floor MAIN

26 Beds

Transition Unit – 3000B

Transition unit for ED patients awaiting IP bed

3rd Floor MAIN

10 Beds

Intensive Care Unit – Adult Critical Care

Medical and surgical patients requiring close hemodynamic monitoring
Cardiac monitoring, ventilator management, Central / PA lines, Complex IV titration medications

1st Floor MAIN

12 Beds

Intensive Care Unit – Adult Critical Care

Medical and surgical patients requiring close hemodynamic monitoring
Cardiac monitoring, ventilator management, Central / PA lines, Complex IV titration medications

2nd Floor MAIN

18 Beds

Neonatal Intensive Care Unit

Critically ill newborns/infants requiring close hemodynamic monitoring

2nd Floor MAIN

12 Beds

Women Services (L&D, OB/GYN)

Care of low and high-risk pregnancies, antepartum, intrapartum and immediate post-partum; 24/7 unit with newborn care at the bedside (Couplet Care)

2nd Floor MAIN

L&D, M/B, 18 Beds

OCHSNER MEDICAL CENTER - HANCOCK

Medical Surgical / Pediatrics Unit Infant to Adult Medical and post-surgical patients Cardiac Monitoring/Telemetry, IV Pumps, Wound and Pain Management, Central Line Care	1st Floor 29 Beds
--	---

Intensive Care Unit Medical and surgical patients requiring close hemodynamic monitoring Cardiac monitoring, ventilator management, Central / PA lines, Complex IV titration medications	1st Floor 6 Beds
---	--

Ochsner St. Anne - Raceland

Medical Surgical / Stepdown Unit

Adulthood and Pediatric acute inpatients, Skilled Nursing, and pre/postop surgical patients
Cardiac Monitoring/Telemetry, IV Pumps, Wound and Pain Management, Central Line Care

3rd Floor

23 Beds

AKA: MedSurg, Telemetry

Behavioral Health

Inpatient acute psychiatric care and therapeutic processes, substance abuse management
Medication management, Verbal / physical de-escalation, Individual/Group Therapy

2nd Floor

10 Beds

AKA: BHU, Psych

Women Services

Care of low and high-risk pregnancies, antepartum, intrapartum and immediate post-partum; 24/7 unit with newborn care at the bedside (Couplet Care)
Post GYN surgery care

1st Floor

**Labor & Delivery
Mother/Baby**

AKA: Labor & Delivery, Nursery, Mother/Baby

Leonard J. Chabert (Houma)

Medical Surgical Telemetry Unit Medical adult patients Cardiac Monitoring/Telemetry, IV Pumps, Central Line Management, Pre/Post diagnostic and procedural care	4th Floor 24 Beds AKA: 4West, MedTele
--	--

Post op/Peds Adult Post-op and Medical Pediatric Patients Pre/Post diagnostic procedures, IV Pumps, Central Line Management, Wound/Drain Management	5th Floor 24 Beds AKA: 5East, MedSurg, Peds
--	--

Intensive Care Unit Medical and surgical patients requiring close hemodynamic monitoring Cardiac monitoring, ventilator management, Central / PA lines, Complex IV titration medications	3rd Floor 8 Beds
---	--

Behavioral Health Unit Inpatient acute psychiatric care and therapeutic processes, substance abuse management Medication management, Verbal / physical de-escalation, Individual/Group Therapy	5th Floor 24 Beds AKA: BHU, Psych
---	--

Other Units: ED, Cath Lab, Endoscopy, Surgery/OPS/PACU, OP Chemo/Infusion, Clinics

Ochsner Medical Center – St. Mary's (Morgan City, LA)

Medical Surgical Telemetry Unit Medical adult patients Cardiac Monitoring/Telemetry, IV Pumps, Central Line Management, Pre/Post diagnostic and procedural care, Wound/Drain Management	6th Floor 24 Beds
--	--

Intensive Care Unit Medical and surgical patients requiring close hemodynamic monitoring Cardiac monitoring, ventilator management, Central / PA lines, Complex IV titration medications	2nd Floor 8 Beds
---	---------------------------------------

Behavioral Health Unit Inpatient acute psychiatric care and therapeutic processes, substance abuse management Medication management, Verbal / physical de-escalation, Individual/Group Therapy	7th Floor 17 Beds
---	--

Rehab Services	7th Floor 8 Beds
-----------------------	---------------------------------------

Other Units: ED, Cath Lab, Endoscopy, Surgery/OPS/PACU

Ochsner Medical Center – Baton Rouge

Medical Surgical Unit Medical and post-surgical patients (e.g., Ortho, GS, Urology) Cardiac Monitoring/Telemetry, IV Pumps, Wound and Pain Management, Central Line Care	5th Floor 41 Beds
---	--

Telemetry Unit Medical patients requiring cardiac monitoring / telemetry Pre/Post diagnostic procedures, IV Pumps, Tele-stroke	2nd Floor 50 Beds
---	--

Intensive Care Unit Medical and surgical patients requiring close hemodynamic monitoring Cardiac monitoring, ventilator management, Central / PA lines, Complex IV titration medications	2nd Floor 20 Beds AKA: ICU, CCU
---	---

Women's Services Care of low and high-risk pregnancies, antepartum, intrapartum and immediate post-partum; 24/7 unit with newborn care at the bedside (Couplet Care) Post GYN surgery care Care of Level II and III critically ill newborns	4th Floor L&D M/B Nursery
---	--

Ochsner Medical Complex -GROVE Location Care of surgery patients (pre/intra/post)	1st Floor Preop, 4 ORs 24 Beds
---	--

Other Units: ED, Cath Lab, Endoscopy, Surgery/OPS/PACU

OCHSNER LAFAYETTE GENERAL MEDICAL CENTER

Med Tele Unit (4C) Medical patients requiring cardiac monitoring / telemetry	4th Floor 24 beds
---	--

Med Tele Unit (6C) Medical patients requiring cardiac monitoring / telemetry	6th Floor 24 beds
---	--

Postop Unit (8 Central) Post-Operative surgery patients, and medical-surgical patients if necessary	8th Floor 24 beds
--	--

Oncology Unit (8 West) Care of medical oncology, surgical oncology and radiation oncology patients	8th Floor 16 beds
---	--

Med Tele Unit (9 South) Medical patients requiring cardiac monitoring/ telemetry	9th Floor 24 beds
--	--

Med Tele Unit (9 West) Medical patients requiring cardiac monitoring/ telemetry	9th Floor 24 beds
---	--

Med Tele Unit (9 Central) Medical patients requiring cardiac monitoring/ telemetry	9th Floor 24 beds
--	--

Orthopedics Unit (10 Central) Care of general orthopedics patients and medical-surgical patients if necessary	10th Floor 24 beds
---	---

Observation Unit (10 West)	10th Floor 12 beds
-----------------------------------	---

Stroke Unit (7 South) Care of general neurology and stroke patients	7th Floor 24 beds
---	--

Intensive Care Unit Mixed acuity; Cardiac, medicine, surgical, neuro, trauma	7th Floor 50 Beds
--	--

Women's Services Labor & Delivery/Mother & Baby Unit	2nd & 3rd Floor 19 Labor Beds, 13 Ante beds, 6 OB ED Beds 51 Beds M/B beds
---	--

Behavioral Health Unit Care of general psychiatric patients, rehab services for substance abuse included	1st Floor, 24 Beds Address: 302 Dulles Dr.

Ortho Unit – ORTHO Hospital Care of general orthopedic patients	3rd Floor 12 Beds
---	--

Rehab Inpatient Services Unit ORTHO Hospital	4th Floor 18 Beds
---	--

OCHSNER LAFAYETTE UNIVERSITY HOSPITAL & CLINICS

Med Surgical Unit 6 East & West Care of general medical/surgical patients Medical patients requiring cardiac monitoring/ telemetry	6th Floor East/West 28 beds total
---	--

Med Tele Unit 4 West Medical patients requiring cardiac monitoring/ telemetry	4th Floor 14 beds
---	--

Intensive Care Unit Care of high acuity patients requiring hemodynamic monitoring and/or oxygen support	4th Floor 7 beds
---	---------------------------------------

OCHSNER ST. MARTIN'S HOSPITAL

Medical- Surgical Unit Care of general medical/surgical patients	1st Floor 24 beds
--	--

OCHSNER ACADIANA GENERAL HOSPITAL

Medical Surgical Unit Care of general medical/surgical patients	2nd Floor 30 Beds
---	--

OCHSNER ABROM KAPLAN HOSPITAL

Medical Surgical Unit Care of general medical/surgical patients	1st Floor 24 beds
---	--

OCHSNER AMERICAL LEGION HOSPITAL

Medical Surgical Unit- Tower 2 Care of general medical/surgical patients	2nd Floor 16 beds
--	--

Medical Surgical Unit- Tower 3 Care of general medical/surgical patients	3rd Floor 16 beds
--	--

Intensive Care Unit (ICU) Care of high acuity patients requiring hemodynamic monitoring and/or oxygen support	2nd Floor 5 Beds
---	---------------------------------------

AMBULATORY / CLINICS / OUTPATIENT DEPARTMENTS

SOUTHSHORE (Not all included)

OB GYN Clinic Care of OB GYN Patients; FHT monitoring, procedures (Colpo, LEEP, Biopsy, etc.)	Baptist 4429 Clara Street McFarland Building Suite 500
---	---

Primary Care and Wellness Population Health / Preventative Care to 18 years and older patients; V/S, Assessment Skills, Medication Administration, Immunizations, Point of Care Testing, Procedural Observation	OMC-Jeff Hwy 1401 Jefferson Hwy Primary Care & Wellness Building
